### **REASONS FOR ALLOWANCE**

1. The following is an Examiner's Statement of Reasons for Allowance:

Claims 1-66 are allowable over the prior art of record.

The examiner has found that the prior art of record shows similar limitations but not in the same scope, arrangement, or combination of a system and method for offering a message to a terminal device, comprising: a data bank identifying respective playback capabilities of a plurality of terminal devices is stored; a message source provides/generates a message having a playback requirement; and a server adapted for communication with a selected terminal device, the server having access to the information stored in the data bank and being connectable to the message source to receive the message, the server determining from the information in the data bank whether the selected terminal device has playback capability matched to the playback requirement of the message and, if so, the server transmitting the message via the communication link at set forth in the independent claims 1, 9, and 20.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
